

X-SHIELD
PAINT PROTECTION FILM

TECHNICAL DATA SHEET

PHANTOM ENHANCE

PAINT PROTECTION FILM

ELEVATE YOUR VEHICLE'S APPEARANCE

Scratch Resistance

Phantom Enhance repairs light scratches and swirl marks with heat, restoring the film to its original smooth condition.

Gloss Enhancement

The high-gloss finish and depth-enhancing formula amplify the richness and vibrancy of the vehicle's colour, leaving a mirror-like shine.

UV Protection

Infused with UV inhibitors, Phantom Enhance blocks harmful rays, preventing yellowing and preserving the enhanced finish of your vehicle.

Super Hydrophobic Technology

The super hydrophobic properties ensure water and contaminants roll off the surface, significantly reducing dirt buildup and making cleaning as simple as a quick rinse.

PHANTOM ENHANCE

PAINT PROTECTION FILM

X-Shield Phantom Enhance is designed to transform your vehicle's look by significantly enhancing the colour depth and gloss of its surface. Using advanced X-Shield Organic Polysilazane Resins (OPSZ) Nano technology, Phantom Enhance provides powerful protection while amplifying the vehicle's visual appeal. Whether exposed to road salt, gravel, snow, or rain, Phantom Enhance protects while delivering an unmistakable shine that lasts.

Phantom Enhance also features a super hydrophobic coating, making cleaning effortless. This unique property allows water and contaminants to bead up and roll off the surface, keeping your vehicle clean with minimal effort and preserving its showroom shine.

MATERIAL

Phantom Enhance is crafted from biodegradable, aliphatic Thermoplastic Polyurethane (TPU). Its durability, combined with an advanced coating to enhance colour depth and gloss, makes it ideal for protecting and elevating vehicle finishes in a variety of environments.

WARRANTY

Phantom Enhance comes with a 10-year warranty on installation. The warranty covers film adhesion and guarantees long-lasting performance. It begins upon the installation date and applies exclusively to factory-original paintwork. The warranty is non-transferable and applies only to the original customer.

Expected Durability

Phantom Enhance provides up to 12 years of durability, covering protection against excessive yellowing and permanent staining. X-Shield will replace the film in the case of material defects. The warranty is limited to the product's purchase value and does not cover improper use, installation errors, or normal wear and tear, nor dents from stones and debris.

Technical Specification

Our recommendations and technical data are based on rigorous testing, which we believe to be reliable. However, exact performance may vary due to factors beyond our control.

Limited Liability

X-Shield is not liable for any direct, indirect, special, or incidental damages related to the use of Phantom Signature, whether based on warranty, contract, negligence, or other legal grounds.

Technical Data

Nominal Thickness	7.5mil/ 190.5micron
Size	1.52*15.24m/ 60 in x 50 ft
Base Material	Bostik AROSET™
Top Coat	X-Shield OPSZ
Top Coat Type	Hydrophobic/ Heat Healing
Shelf Life	12 months
